

2017-2018 HUDSON RECREATION INSTRUCTIONAL YOUTH BASKETBALL PROGRAM

All Basketball Programs are limited to Hudson Residents and/or Children who attend Hudson Public Schools.

The success of our programs is due in large part to the commitment of our staff and volunteers.

If interested in coaching or volunteering in any way, please contact Hudson Recreation.

These grade-based non-competitive programs are intended to promote fun, exercise and most importantly the fundamentals of basketball. Immediately following the evaluations (listed below), the recreation staff will divide children into teams and assign coaches. Weekday practices for Grades 2-7 could be held at any of the elementary schools/Middle School and will last 1 hour. Practice days and times will not be determined until team rosters and coaches are finalized. Exact games schedules for all division will be provided during the first week of each program. With the exception of the CO-ED program, the season will begin as early as December 2nd and run through February 18th.

Evaluations are an important part of the process which enables our staff to organize players onto teams as evenly as possible. All players in Grades 2-7 must attend evaluations (exact days/times/locations listed below). Program registration is also required.

Note: There are no evaluations for Grade 1 participants.
