Session 2 – July 5 to July 8 (no lessons July 4th)
Session 3 – July 11 to July 15
Session 4 – July 18 to July 22

Parking Passes:

Daily Passes are \$10 for residents and \$20 for Non-Residents (purchase at Beach)
Season Passes are \$50 for residents (purchase at the Recreation Office M-F, 8:00am-4:00pm)
Season Passes are \$100 for Non-Residents (purchase at the Recreation Office M-F, 8:00am-4:00pm)

- It is IMPERATIVE that parents register children for the appropriate swim class level. We will be posting a Class Placement List, but given the amount of time that has passed since we last offered lessons, the list should be used as a reference guide. In addition, we will be hold free pre-lesson evaluations at Centennial Beach. More information provided below.
- A list of class levels and prerequisites is available on our web site under FORMS > “Swimming Lesson Placement Guidelines”. Please reference this guide when selecting a swim class level.
- Any child incorrectly registered will be required to move into the appropriate swim class level, if space allows.
- If your child is underqualified for a level, for the safety of the rest of the class, the instructor, and your child, s/he will be removed from the class.

Pre-lesson Evaluations

- Prior to the start of registration, we will host evaluations at Centennial Beach. It is HIGHLY RECOMMENDED that your child(ren) attend an evaluation so our instructors can evaluate your child(ren)'s ability and let you know which level you should register for.
- You may still register for lessons without attending an evaluation, but if you select the wrong level for your child(ren), you may not be able to move them to the appropriate level, as we expect spots to fill quickly. Class capacities cannot be increased. Attending an evaluation will ensure you are registering your child(ren) for the appropriate determined level.
- Evaluations will be held on the following days and times.
 - June 24th – 12:00pm – 6:00pm
 - June 27th, 28th, July 5th, 11th, 12th – 5:15pm – 6:15pm
- You may stop by the Beach at any point during these times and seek out our swim instructors by the dock.
- No pre-registration required to attend a swimming lesson evaluation.
- Amount of time needed to be spent at the evaluation will depend on the number of children present at any given time.
- The individual evaluation itself should not take more than 10-15 minutes.
- A parking pass is NOT required to attend evaluations. If you do not have a Season Parking Pass already, those who choose not to purchase a day parking pass, must leave the parking lot immediately upon completion of the evaluations. If you wish to stay, you must purchase a day pass.

2022 Swim Lesson Class Schedule

- Class schedule will be identical for all 4 sessions offered.
- Classes are held rain or shine, as determined by conditions at Centennial Beach at the time of the lesson.
- The schedule may change at the discretion of the Recreation Department.
