

Through a generous donation by SMILE Mass, we are excited to announce that our beach has been more accessible than ever before. Beach patrons can now access (advanced reservation required) an accessible beach wheelchair at Centennial beach.

The floating chair is equipped with three wheels that are wider but smaller than those of a traditional wheelchair, which allows it to traverse over sand. The chair also has two flotation devices, in lieu of armrests, to provide buoyancy once in the water.

The chair can be reserved in 2 or 4-hour blocks, daily between 10am-6pm.

For more information or to reserve the chair, please email:

HUDSONRECREATION@TOWNOFHUDSON.ORG

(must reserve 48 hours in advance)
