

HUDSON

RECREATION

2022 SUMMER PROGRAM INFO

REGISTRATION OPENS JUNE 1st

RECKids Day Programs:

RECKids PreK-K, K-2, 3-5 and 6-8 offer a summer program experience where participants will participate in age appropriate large group activities, games, and arts & crafts. The RECKids Encompass K-8 Program offers a similar summer program experience, in a smaller group setting. Program costs listed below include the entire summer. At this time, no fields trips are planned, but our intent is to offer a limited number of field trips and special events this summer (additional fees may apply). Kids must be entering the grades listed to be eligible for the program. Day Programs will not run on July 4th. Programs are open to Hudson Residents and those who attend Hudson Public Schools.
