**Town of Hudson – Park Commission/Division of Recreation
Reopening Recreation in Hudson (Programs & Facilities)**

FACE COVERING POLICY

Effective Date: September 21, 2020

Face Mask/Covering requirements, effective Monday, September 21, 2020. These guidelines apply to all user groups who have been issued a permit for the use of Town of Hudson property, under the jurisdiction of the Park Commission. Additionally, all Activity Organizers and their respective program coordinators and/or coaches must ensure that everyone involved in their program (including non-Hudson visiting teams) follow these guidelines.

Parents/Spectators must properly wear facial coverings at all times (while entering the field or facility, while watching a practice or game and while exiting the field or facility). Additionally, parents/spectators must always maintain a minimum of 6 feet (from those of a different household) of social distance, while watching a practice or game.

Coaches and Officials must properly wear facial coverings at all times (while entering the field or facility, during a practice or game and while exiting the field or facility).

Additionally,...

...Coaches and Officials are permitted to take a mask break on the field when they are at least six feet away from another person, but the default position is that facial coverings must be properly worn. Mask breaks are designed and intended to be momentary.

Players must properly wear facial coverings at all times while entering the field or facility and while exiting the field or facility.

Players must properly wear facial coverings at all times during a Game or Practice **UNLESS:**

-Players are more than 6 feet apart from another person AND there is no chance the player can come within 6 feet of another person while participating.

Additionally,...

...Players are permitted to take a mask break on the field when they are at least six feet away from another player, but the default position is that facial coverings must be properly worn. Mask breaks are designed and intended to be momentary.

The Hudson Park Commission/Division of Recreation will support additional and more stringent Face Covering Guidelines issued by individual Activity Organizers. However, the guidelines above serve as the baseline for all permitted facility users and must be adhered to and enforced by Activity Organizers using Town facilities.
