RECKids Day Programs:

open to Hudson Residents and those who attend Hudson Public Schools

RECKids Day Programs PreK-K, K-2, 3-5, 6-8 offer a summer program experience where participants will engage in age appropriate small and/or large group activities, games, and arts & crafts.

RECKids Encompass K-8 Program offers a similar summer program experience to others, in a smaller group setting. This program has been highly effective in providing a great summer experience for those who may not thrive in large group settings and/or require a more structured summer program experience.

Note: Some programs will also attend off-site field trips, as part of their summer with Hudson REC.
