Director of Recreation
lghiloni@townofhudson.org

The State of Massachusetts' Criminal History Systems Board instituted new regulations as of July 1, 2005, on agencies that provide activities for children.

We are now required to perform CORI checks on all applicants regardless of age, and will have access to criminal convictions and pending criminal case information, as well as juvenile data.

These record checks are only performed in the event that you are hired by this agency. Record information does not necessarily disqualify anyone from employment.

If you have any questions, please feel free to contact me.
